

Science Leadership School Partners Program: Time Requirements for Returning School Partners (Year 2)

This table outlines the minimum recommended time necessary to support all program components. Innovation and change in science education happen over time. Schools who can allot more time to the process will see a higher rate of change.

In Year 2, School Partners continue to use MSI's School Support Tool as a team to build shared understanding, gauge their school's current science program, and develop an action and implementation plan that prioritizes science at the whole-school level. For Year 2, teams advance the school's science program with greater depth through more long-term action planning and implementation, continuing the work from Year 1.

| Time Requirements: Returning School Partner (Year 2) | | | |
|--|---|---|--|
| | Work Sessions at MSI | | Meetings at School Site |
| | School Partner Teacher Leader | Administrator | Cross-Disciplinary Team |
| August | 2-day Summer Training Intensive (14 hours) <i>August 9 & 10, 2018</i> | Evening Work Session (2.5 hours) <i>August 16, 2018</i> | Team meeting (1.5 hours) <i>Evidence gathering and rating</i> |
| September | Evening Work Session (3 hours) <i>September 11, 2018</i> | | Team meeting (1.5 hours) <i>Finish Evidence gathering and rating; begin action plan</i> |
| October | Evening Work Session (3 hours) <i>October 9, 2018</i> | | Team meeting (4 hours) <i>Finish Action plan and begin ongoing implementation</i> |
| November | Evening Work Session (3 hours) <i>November 13, 2018</i> | Evening Work Session (2.5 hours) <i>November 15, 2018</i> | |
| December | | | |
| February | | | Team meeting (0.5 hours) <i>Check-in on action plan implementation and next steps</i> |
| March | Evening Work Session (3 hours) <i>March 12, 2019</i> | | |
| May | Recognition Event (3 hours) <i>May 7, 2019</i> | Recognition Event (3 hours) <i>May 7, 2019</i> | Team meeting (1 hour) <i>Reflect on action plan implementation, rerate affected Items to Rate, plan next steps, and prepare for third year of partnership</i> |
| Total Hours | 29 hours at MSI ~8.5 hours with cross-disciplinary school team* ~2.5 hours of self-work including online collaboration 40 Hours | 8 hours ~8.5 hours with cross-disciplinary school team* 16.5 Hours | ~8.5 hours* |

Additional Time Requirement: All cross-disciplinary school team members, including the School Partner Teacher Leader and administrator, will need a minimum of 2-3 hours (total) to prepare for or follow up on all team meetings.

*Cross-disciplinary team meeting times are dependent on how time is managed at the school site. Assuming all meetings start on time, everyone is present, and the meeting time and process are facilitated efficiently, the approximated 8.5 hours can be achieved.
