

### Science Storms

This exhibit contains a Tesla coil on the ceiling of Balcony Level 3. When fired (once every 45 minutes), this creates a loud noise.

### U-505 Submarine Exhibit

The story of the world-famous U-505 is told through videos that may have loud sounds and one area with floor movement.

#### On-board Tour

This tour features flashing lights and loud sounds. It is not accessible for wheelchairs or strollers.

### Idea Factory

Children can experiment with hands-on activities, some featuring water. The Idea Factory has a variety of loud sounds and can become busy with children.

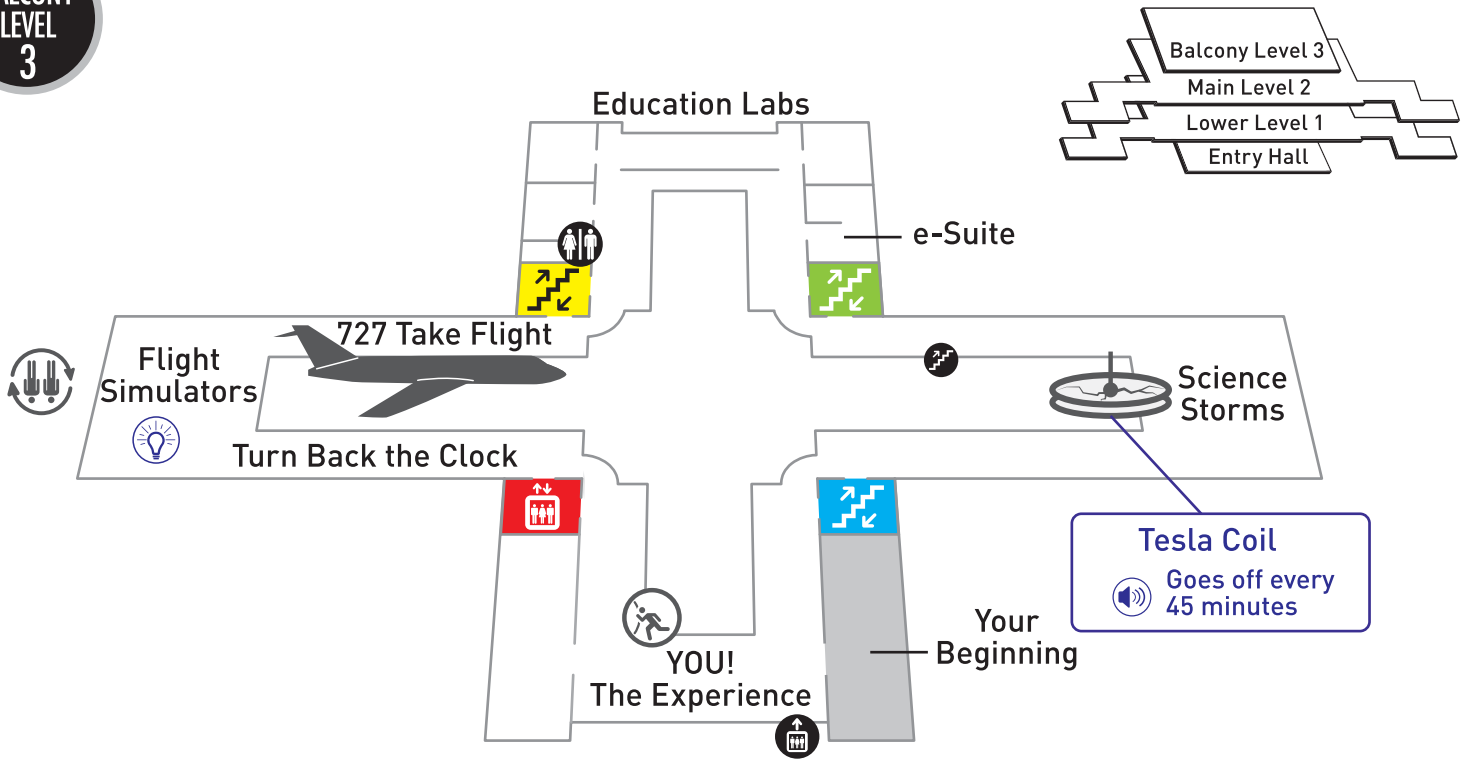

### Coal Mine Tour

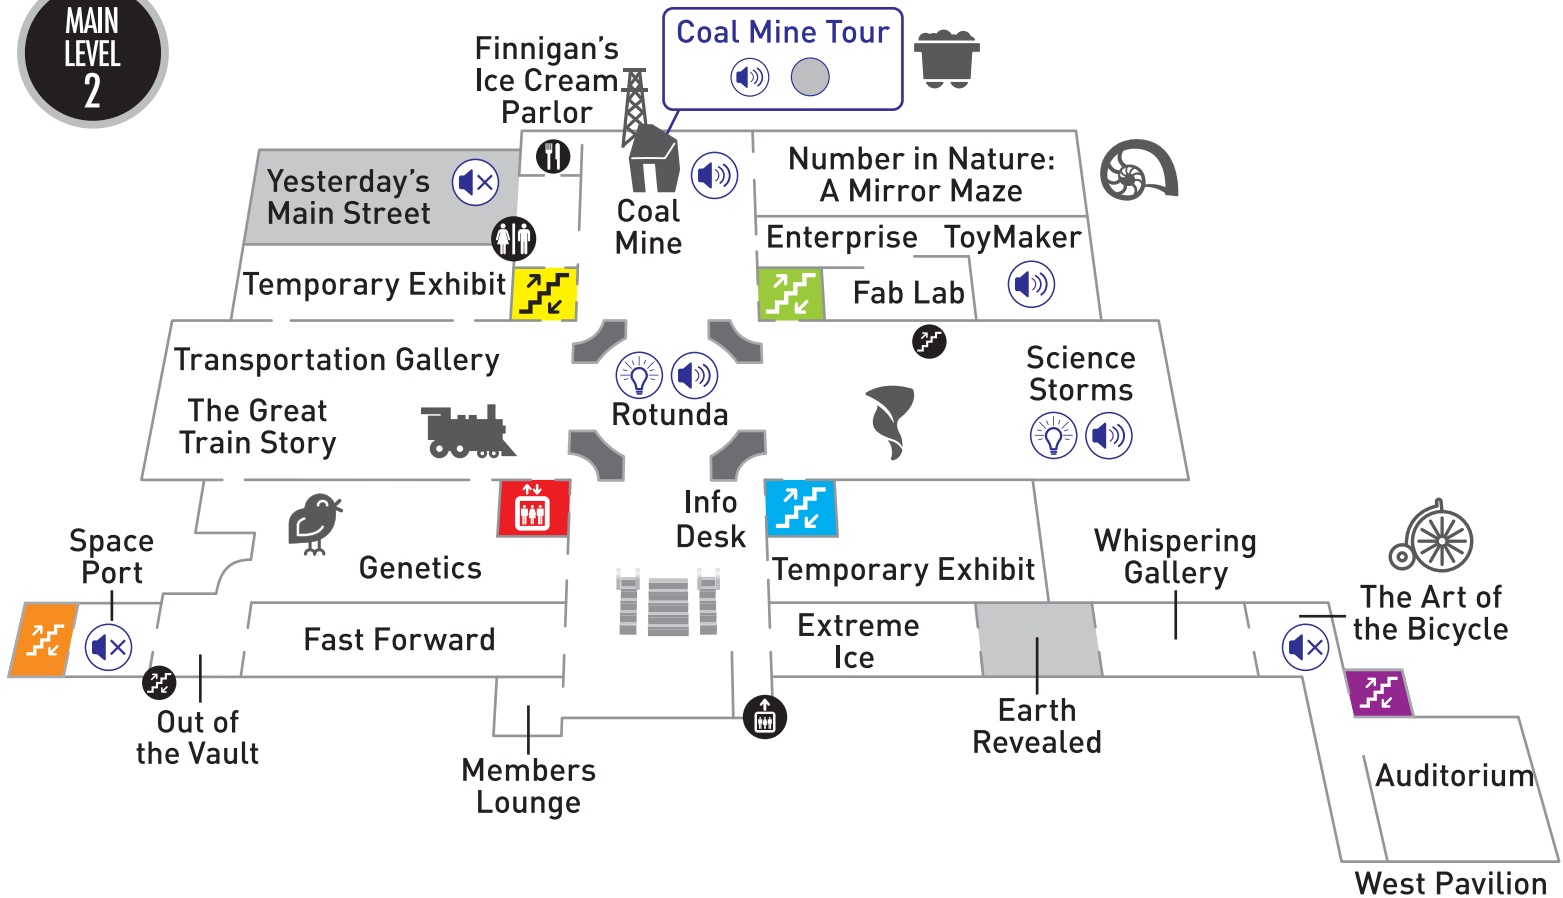

This tour is not accessible for wheelchairs or strollers. The nature of this tour is to mimic a real coal mine, while it is safe to navigate there are some dark areas during the tour. This experience also contains a short ride on a refurbished coal mine train and loud noises.

### YOU! The Experience

Learn about yourself through more than 50 engaging experiences. This exhibit has some videos and a large-scale movement interactive that may be loud.

### WOW! Tour

Go behind the scenes in this one-hour walking tour around MSI. Stops at the Coal Mine and Toymaker have loud sounds. Inform your facilitator if you are unable to take stairs so that accommodations can be made.

### Numbers in Nature: A Mirror Maze

This experience includes a floor to ceiling mirror maze that can be disorienting and has changing lights. There is a bypass which takes you directly to the end of the maze where you can enjoy the rest of the exhibit.

 **Disorienting**

### Colleen Moore's Fairy Castle

Experience the enchantment of a fairy's dream home that underwent a recent conservation. This exhibit is in a quiet, darker gallery.

### The Art of the Bicycle

This exhibit tends to be quieter on most afternoons. In the mornings, this exhibit can fill up with school groups so it's best to wait until later in the day to enjoy this space.

### Ships Gallery

This exhibit tends to be quieter on most afternoons. In the mornings and during lunch, this exhibit can fill up with school groups so it's best to wait until later in the day to enjoy this space.

### Communication Book

Available, please inquire at the Information Desk.

### How did we do?

Your feedback is important to us. Please share any comments about your visit with [msi@msichicago.org](mailto:msi@msichicago.org)

### Our Commitment

The Museum of Science and Industry has an unwavering commitment to diversity and inclusion. We value and respect our diverse guests, volunteers and staff, and expect the same from our guests. Use of inappropriate language and/or behavior will not be tolerated and may result in removal from the Museum with no refund.
