FALL 2017 | WINTER 2018

Christmas Around the World and Holidays of Light

OPENS NOVEMBER 16, 2017

It began in 1942 with a single tree. This year, we celebrate the 75th anniversary of our dazzling display of international holiday customs. See this year's four-story, floor-to-dome Grand Tree, surrounded by a forest of more than 50 trees and displays decorated by volunteers to represent the holiday traditions from cultures around the globe. Enjoy live performances throughout the holiday season and have a one-of-a-kind experience that brings a whole world of holiday joy under one roof.

This exhibit is included in Museum admission, which is free for members.
